Introduction

The local elections held on 7 June 2024 resulted in 949 councillors elected to represent 166 local electoral areas. Local authorities play a vital role in the delivery of services to communities throughout the county. Their closeness to local communities ensure they have an immediate effect on the day-to-day lives of people. As the representatives to local authorities are democratically elected, it guarantees the views of their communities are directly reflected in local government.

The detailed results of the 2024 local elections held on Friday, 7 June 2024 are set out for each of the 166 local electoral areas in which elections were held to 31 local authorities. It contains statistics in relation to the number of seats, candidates and electors, the percentage of first preference votes for each political party and the number of seats obtained by each, the number of women who stood as candidates and the number of outgoing members at City Council, County Council and City and County Council level who were re-elected.

Right to vote at local elections

Every person aged 18 years and upwards, irrespective of nationality or citizenship, is entitled to be registered as a local government elector and to vote at local elections in the electoral area in which he or she ordinarily resides. The total number of persons entitled to vote at the 2024 local elections was 3,773,990.
